## **DESCRIPTION**

Are people always asking you where you come from? Are you often compared to someone who looks just like you? Do you ever get the sense of genetic déjà-vu? Think of what it's like being brown. Not quite black, and definitely not white. A murky middle ground of misunderstanding where you're not really sure where you belong. *Brother?* is a candid video collage dedicated to all the "brothers from other mothers" in search of their true selves.
