**DESCRIPTION**

A collaborative project initiated by Nikki Forrest, Annie Martin and Nelson Henricks, who have produced a number of short video works on the theme of love. Each one approaches the theme from a different angle, be it love's generosity, lust, romantic addiction, erotic compulsion, unstable identities, obsession or the search for love. The resulting catalogue of works creates an index of the different aspects of love that's as dizzying and diverse as our experience of love itself.
