PAYSAGE 01

DIRECTOR
Patrick Galipeau

DURATION
12:41

YEAR
1991

ORIGINAL LANGUAGE
French

CATEGORY
Video Art

DESCRIPTION
A study in the transfiguration of lanscape by computer-programmed rhythms of sound and image. The duration of each shot and the sequential spacing of shots in a day are determined by nuances of light, tone and colour between sky and earth, from sunrise to sunset. The same method is employed in the architecture of the musical score.

SOUND
Stereo

KEYWORDS
Contemplation, Duration, Abstraction, Landscape
