LOST

DIRECTOR
Owen Eric Wood

DURATION
6:19

YEAR
2007

ORIGINAL LANGUAGE
English

CATEGORY
Video Art

DESCRIPTION
Lost emulates the visual and literal aesthetics of gay dating Web sites to raise questions regarding the status of the Internet as a liberating medium. The anonymity of computer technology allows for the expression of our innermost thoughts and desires, free of consequence. However, is this expression an accurate depiction of who we really are? Or does it merely serve as a venue for socially-unacceptable behaviour at times when we find ourselves lost?

WARNING
This video contains elements that may not be suitable for some viewers.

SOUND
Stereo

SHOOTING FORMAT
MiniDV
