

# LOST

**DIRECTOR**

Owen Eric Wood

**DURATION**

6:19

**YEAR**

2007

**ORIGINAL LANGUAGE**

English

**CATEGORY**

Video Art

**DESCRIPTION**

*Lost* emulates the visual and literal aesthetics of gay dating Web sites to raise questions regarding the status of the Internet as a liberating medium. The anonymity of computer technology allows for the expression of our innermost thoughts and desires, free of consequence. However, is this expression an accurate depiction of who we really are? Or does it merely serve as a venue for socially-unacceptable behaviour at times when we find ourselves lost?

**WARNING**

*This video contains elements that may not be suitable for some viewers.*

**SOUND**

Stereo

**SHOOTING FORMAT**

MiniDV
