ENFANT : XIE SIÈCLE, LATIN 'INFANS' «QUI NE PARLE PAS»

DIRECTOR
Paul Gauvin

DURATION
29:31

YEAR
1984

ORIGINAL LANGUAGE
French

CATEGORY
Docufiction

DESCRIPTION
Testimonies from children and parents provide the narrative for this video which attempts to reveal what is left unsaid, or what we dare not discuss, between parents and children. Despite the film's title, the first word is given to the children, aged 10 to 12, who tell us what they think of their parents and adults in general. A candid look into their world, their thoughts and their problems.
