C.-À.-D.

DIRECTOR
Frédéric Lavoie

DURATION
5:54

YEAR
2005

ORIGINAL LANGUAGE
No dialogue

CATEGORY
Video Art

DESCRIPTION
Space journey.

SOUND
Stereo

SHOOTING FORMAT
MiniDV

FURTHER INFORMATION

"These works develop narratives rooted in everyday activities. In some cases, they produce free-flowing narratives out of an anonymous character. The single-channel video *C.-À-D.*, for example, creates a segmental journey through space using an anonymous character. Walking along walls, retracing one’s steps and methodically throwing a piece of paper are some of the actions which situate my imaginary narratives in everyday space".

LAVOIE, Frédéric. *L'écart entre représentation et expérience dans un dispositif audiovidéographique qui déjoue les modalités d'occupation de l'espace habité*. Université du Québec à Montréal, 2007, p. 4
