TONGUE TIED

DIRECTOR
Rick Raxlen

DURATION
8:00

YEAR
1988

ORIGINAL LANGUAGE
English (text on-screen)
No dialogue

CATEGORY
Video Art

DESCRIPTION
Part of a trilogy that started with Grey's Lullaby, *Tongue Tied* was shot and processed at E.T.C. and set aside for three or four years. It deals with an artist on a voyage and is reflective without being too serious. It is in black and white, and uses a strobing grey pattern of digitized images.

IMAGE FORMAT
4:3

SOUND
Stereo
