5:30

YEAR
2000

ORIGINAL LANGUAGE
Swedish

CATEGORY
Video Art

DESCRIPTION
"I get on the train in a small town..." A woman's voice is heard. A narrative resembling an old foreign film - with subtitles, black and white images, and a woman speaking in Swedish - is told on a train. Will she find her lover? The story unfolds in three different ways. As the film progresses, the voice and subtitles begin to drift apart. The train continues on its path.

SOUND
Stereo
