

# PAREIL, PAS PAREIL OU L'INVERSE

## DIRECTOR

Une équipe qui vous veut du bien

## DURATION

28:47

## YEAR

1974

## ORIGINAL LANGUAGE

French

## CATEGORY

Video Art

## DESCRIPTION

In a humouristic and light tone, and by a series of visual and auditive comparisons, this video describes a world whose unique sense comes from being the object of a playful activity. Produced by an anonymous group of artists, the tape presents itself as a fantastical and free reinvention of the world. It plays upon contrasts, all the while creating free associations through technical manipulations - inversions, incrustations and digitalization - and applying them to words and sounds.

## WARNING

*The quality of this video varies due to older technologies and image degradation.*
