LE ROCHER

DIRECTOR
Étienne de Massy

DURATION
11:00

YEAR
2010

ORIGINAL LANGUAGE
No dialogue

CATEGORY
Video Art

DESCRIPTION
Le Rocher explores a possible connection between places and spaces (physical and imaginary, natural and cultural). It exposes the idea of a presence and strangeness in the world. Shot in America and Europe, this film is both a story and a study of the way the landscape is depicted in sounds and images.
