Jonathan Lemieux

DURATION
6:29

YEAR
2014

ORIGINAL LANGUAGE
French

CATEGORY
Video Art
Documentary

DESCRIPTION
I manipulate my past. I analyze my present. I prepare myself for my future. I have long followed these steps in my art. I naively tought I would understand everything. Miraculously. I thought that after a few videos, all would be clear. Crystal clear. Clear like fresh water. I realized that I was wasting my time. I have to abdicate. And move on.
