RUINS RIDER

DIRECTOR
Pierre-Luc Vaillancourt

DURATION
49:00

YEAR
2017

ORIGINAL LANGUAGE
No dialogue

CATEGORY
Experimental

DESCRIPTION
Filmed in the lost territories of the Balkans, RUINS RIDER portrays the secret ruins that triggered trances over the past centuries. Using an array of hypnotic pulsating flickers, filmmaker Pierre-Luc Vaillancourt conceived an explosive kinetic experience. Accompanied by a powerful soundtrack by Marc Hurtado of the cult project Étant Donnés, RUINS RIDER is a visceral experience of hypnagogic archeology and raw energy.

SOUND
Stereo
