MEMORY IS A DYING HORSE

DIRECTOR
Samer Najari

DURATION
28:17

YEAR
2021

ORIGINAL LANGUAGE
English

CATEGORY
Documentary
Experimental

DESCRIPTION
Trying to freeze time is an illusion. Whatever we do, life unfolds in one direction. "Memory is a Dying Horse" is yet another desperate attempt to challenge the irreversibility of time. A sparse, raw, somehow childish collage of reminiscences filmed on Super 8 between Syria, France and Canada. The film is accompanied with musical experimentation by Stefan Christoff.
